List each partner's programs providing service through Virginia's Career Works Center: If the allocation is for a Comprehensive Center, at minimum, all partner programs as required by the Virginia Combined State Plan must be included.

-Once program is inserted in Column A row within table above, the balance of the spreadsheets will be automatically populated with the program name information. The balance of the spreadsheets should be formatted appropriately to display the information.

Square Foot Occupied is the sum of the floor area of each office, work station, or other room or space that is assigned to or reserved for the use of one or more partners rather than being shared by all.

OK

NOTE: Partners will list the direct costs associated with the program providing services. The direct costs should be those costs of service delivery that pertains specifically and only to the program listed and billed directly to the partner administering the program. These costs will be subtracted from the total budget amount listed in the One-Stop Center Budget spreadsheet and will result in identifying the shared (Indirect Costs).

1	Allocation based on number of square feet occupied
2	Allocation based on number of square feet occupied
3	Allocation based on number of square feet occupied

Note: This spreadsheet allocates costs based on a suggested allocation method (see color key above). Partners may agree on a different basis for allocation, as long as it is appropriately supportable and applied consistently. If a different allocation method is applied, the percentages on the Partner Information tab must be revised to reflect the agreed on basis.
